

Your opportunity to participate in an innovative public  
decision making process representing your community

The topic is likely to be one of the following:

- What is the best option for minimising waste sent to landfill?
- Should Noosa take over management of the Noosa river from the State?
- Should Noosa invest in a free electric bus service?

## Topic

This invitation has been sent to 3,000 people across the Noosa Shire. Your address has been randomly selected from the electoral roll.

You are invited to register your interest to be part of the Jury.

**Please register before 5 December 2014 by clicking on the RSVP link at [newDemocracy.com.au](http://newDemocracy.com.au).**

From those who responded to the invitation, up to 24 residents will be selected to be jury members by newDemocracy; an independent, non-government organisation.

Your registration of interest and contact details will remain private.

## Selection

The Mayor and Councillors will meet with the Jury and personally receive the Jury's final recommendations.

The recommendations will be carefully considered, and both the recommendations and the Council's response will be tabled at a Council meeting.

## Authority

**This is a unique opportunity for everyday Noosa residents to have a real influence on the future of the Noosa Shire**

The people selected for the Jury will be sent a comprehensive schedule and explanatory kit of pre-reading materials.

Each member of the Jury will attend up to six meetings in person.

The Jury will be provided with access to information and experts, and will be given time to reach a consensus decision.

Meals will be provided and Jury members will receive payment to cover expenses.
